

6x6 Square

The 6x6 is simple, smaller- scaled paver that complements its surroundings. It has a traditional flat top with chamfered edges. The 6x6 square is also used in ashlar layouts with Angelus' 6x6 and 6x12 pavers and as an integral component in most Symetry™ layouts.

Stocked Colors:

See page 2 for color swatches and list of stocked colors.

**Available in standard and tumbled textures.*

Shown: 6x6 Charcoal and 12x12 French Gray installed in a Stack Bond 45 degree pattern.

NOTE: ALWAYS VIEW PRODUCT SAMPLES PRIOR TO INSTALLATION The color and texture of Angelus products are not specific to any product or groups of products. Variation in color, shades of color, texture, and aggregate exposure is inherent in all concrete products and exact matches cannot be guaranteed. Not all products are stocked in all colors. Charts with more product related color availability are shown from product pages. Colors and textures represented in print and online are as close as possible to the actual product. Photographic techniques, printing techniques and viewing monitors – as well as actual viewing conditions – can alter perception of color.
