

Courtyard Stone

Available in both a standard and a tumbled texture, Courtyard Stone has the classic, indispensable look that offers a timeless appearance. Tumbled, it can add the depth and warmth reminiscent of a timeworn, cobbled pavement while the standard texture is classic and clean.

The larger format 15x15 Courtyard Stone is great for step treads, pool coping, as a border to the Courtyard Combo Stone and can also be mixed into the Courtyard Combo Stone to add a larger paver pattern to the Courtyard Combo Stone.

*Available in standard and tumbled textures
